

Request for the Public Use File GEDA 2014/2015-EHIS (German Health Update 2014)
Health Interview Survey of Adults in Germany

1. Applicant's address

Date:

Name

Institution

Address

Telephone

E-Mail

2. Purpose of Application

I will use the requested material for the purpose(s) detailed below:
(please substantiate justified interest, especially of a scientific nature)

3. The Data set will be delivered as a **download (Email-Address is required)
(data format: SAS/STATA/SPSS including documentation)**

4. Intention to publish (publication planned?)

Yes

No

Agreement between

the Robert Koch Institute and

the Applicant

The applicant must comply with the following regulations and obligations:

- The data set made available is to be used solely for the purpose(s) stated in the application. Any commercial use of the data set is specifically forbidden.
- The data may NOT be passed to third parties. Please note that third parties are required to file a separate application to use the data set.
- The applicant shall adhere to the fundamental rules relating to generally accepted standards of science and technology (“Good Epidemiological Practice¹” and/or “Good Practice for Secondary Data Analysis²”).
- The applicant shall comply with general data protection requirements. In particular, no attempt is to be made to de-anonymise the data, link individual case data to other data sources or publish individual case data.
- The applicant shall quote the source of the data upon publication (See Appendix).
- The applicant shall inform the RKI Data Research Centre (FDZ@rki.de) of any successful publication and deliver a digital sample of each publication for the purpose of documentation.
- The applicant shall report any possible errors in the data or relevant documentation.

Appendix to the Application for the Public Use File GEDA 2014/2015-EHIS

(Do NOT return)

Quoting the Data Source

All publications that are based on this data from the RKI Data Research Centre should quote the following source:

- In German language publications

Robert Koch-Institut, Abteilung für Epidemiologie und Gesundheitsmonitoring (2014): Gesundheit in Deutschland aktuell 2014 (GEDA 2014). Public Use File 1. Version. doi: 10.7797/19-201415-1-1-1 <https://doi.org/10.7797/19-201415-1-1-1>

Lange C, Jentsch F, Allen J, Hoebel J, Kratz AL, von der Lippe E, Müters S, Schmich P, Thelen J, Wetzstein M, Fuchs J, Ziese T (2015) Data resource profile: German Health Update (GEDA) – the health interview survey for adults in Germany. Int J Epidemiol 44(2):442-50. doi: 10.1093/ije/dyvo67

- In English language publications

Robert Koch Institute, Department of Epidemiology and Health Monitoring (2014): German Health Update 2014 (GEDA 2014). Public Use File first Version. doi: 10.7797/19-201415-1-1-1 <https://doi.org/10.7797/19-201415-1-1-1>

Lange C, Jentsch F, Allen J, Hoebel J, Kratz AL, von der Lippe E, Müters S, Schmich P, Thelen J, Wetzstein M, Fuchs J, Ziese T (2015) Data resource profile: German Health Update (GEDA) – the health interview survey for adults in Germany. Int J Epidemiol 44(2):442-50. doi: 10.1093/ije/dyvo67

Data Provider / Return Address

Robert Koch-Institut
MF4 – Forschungsdatenzentrum
Nordufer 20
13353 Berlin

Tel.: 030-18754-3200

E-Mail: FDZ@rki.de

Flat-rate Fee

A flat-rate fee of 90 Euros (subtotal without VAT) is payable for the GEDA 2014/2015-EHIS Data Set. Account details for bank transfer of said fee will be provided within the framework of the data delivery process.

Additional Data

Applications for GEDA 2014/2015-EHIS data which is not part of the Public Use File may be made in accordance with the rules contained in the Robert Koch Institute's Standard Operation Procedure (SOP). To this end it is necessary to submit a duly substantiated project request within the framework of a cooperation agreement (for further information contact FZD@rki.de).
